

## **At St. Mary's we live and learn, sharing God's love.**

On behalf of the staff, pupils and Governors, I would like to extend a very warm welcome to you to St. Mary's Catholic Primary School .

I feel very proud and privileged to be the Head teacher of such a happy and ambitious school. Each and every member of our staff team is committed and dedicated to our mission :

**As a Catholic school community we strive to live as a Christian family, showing our love for God in the way we treat each other with dignity and respect, and by promoting the development of each child as a unique individual.**

We are committed to ensuring the education provided at St. Mary's reflects and meets the needs of each individual child. We believe in ensuring every child has the opportunities to achieve their unique potential: academically, socially, spiritually and morally. We strive to promote the children's self worth and confidence, and develop in them the knowledge that they are loved, valued and respected. We believe that each child entrusted to us has God given gifts and talents.

Our school is very fortunate to be part of the vibrant parish community of St. Mary's and the relationship which exists between the school and the parish is vital if we are to continue to provide the children with a solid faith foundation upon which they can build in the future.

We hope you enjoy using our website and that it provides you with an insight into life at St. Mary's. However, if you do have any further questions, please feel free to contact me via the school office.
